

Cobb Tool, Inc.

770-948-3775

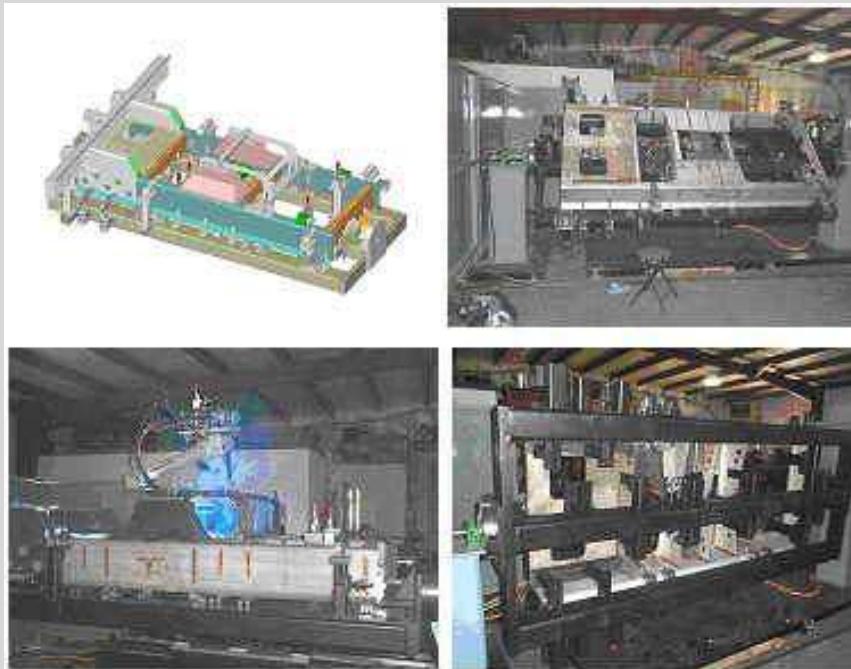

Precision Tooling

Cobb Tool, Inc. provides top-notch Precision Tooling and Fixtures along with great customer support - a combination that can't be beat!

Through our commitment, experience, and expertise Cobb Tool, Inc. has established a business relationship with our customers that will last a lifetime!

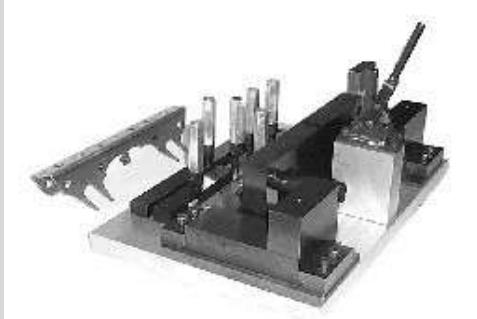

Welding Fixtures

Welding Fixtures for Manual or Robotic Welding

Engineering & Design - For over 40 years Cobb Tool, Inc. has dedicated itself to the precision design of custom tooling for our customers. Today our engineers utilize Pro/Engineer and Auto Cad Inventor 3D Modeling software to design tools for a wide range of customers including those building ATV's, Golf Carts, Lawn & Garden Equipment, Fuel Tankers and Excavators.

Inspection Fixtures - Our customers depend on us to help them produce their high quality products consistently and efficiently.

Custom Machining - Many of our customers have already designed the parts and tools that they require in their manufacturing processes.

Equipment List

Cobb Tool craftsmen have a full complement of state of the art CNC and conventional machine tools at their disposal.
